Introducing our California Law Academy family and providing an opportunity for our students to shine

Highlighting Our Law Academies and Students

Students will introduce their law respective academies, sharing highlights about their academy programs and accomplishments. We look forward to building camaraderie among our law academy teachers, students and volunteers, enhancing ongoing partnerships and collaborations.

Celebrating Law Day

The American Bar Association has selected “**E Pluribus Unum**” - **Out of Many, One** as the Law Day Theme: “The 2025 Law Day theme “**E Pluribus Unum**” - **Out of Many, One** teaches us to take pride in the Constitution as it brings us together as a united nation.

We will lend our “**STUDENT VOICES**” to the celebration by featuring our law academy students sharing their thoughts about our democracy and the rule of law in response to the following questions:

- **Provide three highlights about your Law Academy**
- **The Law Day 2025 theme is “E Pluribus Unum” - Out of Many, One. The theme teaches us to take pride in the Constitution as it brings us together as a united nation. What does the Law Day theme mean to you?**
